IMPORTANT NOTICE.

DAVID J NES AND CO., Wholesale and Retail Linen and Woollen Drapers, Silk Mercers, Hosiers, and Habergers, Silk Mercers, Hosiers, and Haberdashers. Glovers. Lacemen. Sloppellers,

DAVID J NES AND CO., Wholesale and Retail Linen and Woollen Drapers, Silk Mercers, Hosiers, and Haberdashers, Glovers, Lacemen, Slopsellers, Hatters, &c., &c., avail themselves of the present opportunity to inform settlers and others, who, during the wool season, usually visit Sydney, that having completed their extensive alterations, and made great accessions to their already unrivalled stock, by recent importations from England, they are now in a position to offer the various articles hereunder enumerated, at such extremely low princes, as have never been before submitted to the public of New South Wales.

Mesure. David Jones and Co. flatter themselves that as they have never lent themselves to the system of jutflag, adopted by other houses, they can confidently rely on the present address being received as a genuine statement. They beg to remind settlers and others, that nearly the whole of their immense stock having been bought in the best English Markets, on the most reasonable terms, they are enabled to offer the same fully 20 per cent, under houses purchasing in the colonial market. They particularly solicit a visit from their old customers, and promise them that by pure asing for cash they will find advantages in their establishment which it is not in the power of any other houses to offer. Charles Bones are respectfully invited
